

Cutting Instructions:

Mould Base (15x15) Raw	
Material	Aluminium
Thickness	4mm
Quantity	2
Additional Instructions	Square hole 150mm x 150mm cut through 2mm 45° chamfer on all four exterior corners

Mould Base (20x20) Raw	
Material	Aluminium
Thickness	4mm
Quantity	2
Additional Instructions	Square hole 200mm x 200mm cut through 2mm 45° chamfer on all four exterior corners

Mould Cell Large	
Material	Aluminium
Thickness	4mm
Quantity	400

Mould Cell Small	
Material	Aluminium
Thickness	2mm
Quantity	400
